YEARS OF KNOWLEDGE

We have a vast amount of experience partnering with sports teams from grass roots to elite.

THE BRITISH & IRISH LIONS

At Canterbury, we know what it takes to remain at the top, so we pushed the limits of kit design and the technology used to make sure that when The Lions are going through mud, sweat and tears, we're with them all the way.

"I absolutely love the technology and design of Canterbury's Lions jerseys. They exceeded my expectations each tour and proved why their kits are loved across the rugby world."

SAM WARBURTON – 2x British & Irish Lions Captain

"Canterbury has supported The British & Irish Lions on both the 2017 New Zealand Tour and 2021 South Africa Tour. The quality of their product range is best-in-class. The squad were proud to pull on the famous red Canterbury jersey, which became the number one selling rugby jersey in the world. Kitting out a touring party of 85 people is an enormous challenge, but Canterbury always rise to the occasion, demonstrating the strength of our partnership on and off the field."

TOM HALSEY – Commercial Director

IRELAND RUGBY FOOTBALL UNION

A top competitor in world rugby, Ireland RFU are proud to boast some of the game's most renowned players. We work closely with them to create an iconic kit featuring a bold 3D logo, that stands out as much as their players do.

"I have worked with Canterbury through 3 Rugby World Cups and over 15 years of Six Nations / Autumn Internationals. It is my role to ensure we have kit that is reliable and here when we need it. Canterbury have been first-class in delivering this for us year-after-year, keeping athletes happy and helping everything run smoothly - be it playing at home or preparing for tournaments on the other side of the world"

GERARD CARMODY - Head of Operations

QUEENSLAND REDS

We're incredibly proud to be partnered with Canterbury, working with them to produce the finest playing and replica apparel in the game and celebrating a shared history which dates back more than half a century.

"Our players wear Canterbury apparel with pride, and our 2023 retail performance clearly demonstrated an unprecedented desire from the Rugby-loving public to be kitted out in Queensland Reds supporter gear. From our Retro Cotton Jerseys to our Pasifika Warm-Up Tee, Canterbury's design team have been consistently responded to our briefs with designs which capture our imagination and showcase their understanding of what we're looking to achieve - and their ability to deliver on the ground what we need, when we need it, brings us great peace of mind. Our partnership with Canterbury is industry-leading and driven by a mutual commitment to excellence."

PETER FAIRBAIRN - Head of Commercial

MADE TO LAST

Since day one, we've built kit that meets the demands of rugby, so we know what it takes for a product to last.

We perform extensive wearer trials and independent lab-tests when introducing new products. Testing on the fabrics and trims includes strength, durability, colour fastness, pilling, snagging and a lifetime wash durability.

All our range can be machine washed at 40 degrees, with 40% of products recommended as only needing a 30-degree wash cycle.
